

Welcome 2022 golf season!!!

We at The Players Club are so excited to see you and appreciate your patience in dealing with the road construction that is requiring a detour to our golf course.

Due to construction, our only entry point will be from the intersection W river Rd and N 500 W and Tiger Drive.

NEBO Road is closed for bridge construction and the intersection of NEBO and W River Road will be closed for roundabout construction at the intersection. River Road coming from the west is the only access to the facility
We are sorry about the inconvenience and truly appreciate your patronage.
